Definitions

Age: is calculated by subtracting the year of birth from the year of the semester report; it does not take into account the month of birth.

Age Categories: recodes the variable “Age” by ordering students into one of the following age categories:

- <18
- 18-21
- 22-25
- 26-30
- 31-39
- 40+

Blinn Team: is a collaborative effort between TAMU and Blinn Junior College. Students in this program will complete a specified number of courses at each institution with a 3.0 to qualify for automatic admission to TAMU. They are classified as part-time students.

Course Level: involves the grouping of semester credit hours (SCH) into one of the following course categories based on the Coordinating Board’s course designation. Note professional level courses are non-funded and excluded from SCH and Weighted SCH calculations. Thus, there is not a course level designation for this category.

- Lower
- Upper
- Masters
- PhD

College: specifies either: a) the college to which a student’s major is assigned or b) the college to which a course is assigned.

Department: designates the four-letter abbreviation specifying either: a) the department to which a student’s major is assigned or b) the department to which a course is assigned.

Enrollment Status: this variable categorizes students into one of the following admissions categories:

1st Time in College: an undergraduate, degree seeking, student who applied and enrolled in college for the first time regardless of whether the student has acquired college level credit through testing, advanced placement or summer enrollment. This field is used only the first semester of a student's enrollment at TAMU.

1st Time PB Undergraduate (Post Baccalaureate – U5): a student who has graduated with an undergraduate degree (BA or BS) but who is returning to obtaining either another undergraduate degree or certification. This field is used only the first semester of a student's enrollment at TAMU.

1st Time PB Graduate (Post Baccalaureate – G6): a non-degree seeking graduate student who has never attended another post-secondary institution at the same level for which they have enrolled. Graduate PB's are included with Masters students. This field is used only the first semester of a student's enrollment at TAMU.

1st Time Graduate: a graduate student who has never attended another post-secondary institution at the same level for which they have enrolled. This field is used only the first semester of a student's enrollment at TAMU.

1st Time Professional: a professional student who has never attended a professional program at another post-secondary institution. This field is used only the first semester of a student's enrollment at TAMU.

1st Time Transfer: a student entering TAMU for the first time but who is known to have previously attended another post-secondary institution at the same level (e.g. undergraduate to undergraduate, or masters to masters, not undergraduate to masters). This does not include an institution's own graduates who re-enter for further education. This field is used only the first semester of a student's enrollment at TAMU.

Readmitted: a student who previously attended TAMU and is enrolled after applying for readmission.

Continuing: an undergraduate, master's, doctoral or professional student who has completed at least one full semester at TAMU with no break in regular semester enrollment.

Ethnic Origin: is the code indicating the ethnic origin of the student. Students are classified as "International" if they are not citizens of the United States but are in the United States on a temporary basis and do not have the right to remain indefinitely. Non-citizen students, who are lawfully admitted for permanent residence, or Resident Aliens, are reported in the appropriate racial/ethnic category along with United States Citizens. The unknown classification is reserved for students that have not selected a racial/ethnic designation.

White
Black
Hispanic
Asian
American Indian
International
Unknown

First Generation: neither, parent, or guardian, graduated from a four year college.

Ft/Pt TAMU Status: a constructed count, calculated in the SIMS Data Base that groups students into one of four full-/part-time categories based on their enrollment (SCH) in courses as of an official census date, their program, and their department of instruction (i.e. Student teaching, coop, etc.). Note that it is possible to calculate full- and part-time status using SCH as the sole criteria by using the SCH Categories. For specific information contact The Office of Institutional Studies and Planning.

Less than Half Time

Half Time

Three-Quarter Time (used for fall and spring semesters only)

Full Time

Gender: identifies a student as either “male” or “female”

Not Certified: if the heading of the report contains “...– **Not Certified**” then this report has been generated using data that has not yet been certified as correct to The Texas Higher Education Coordinating Board (THECB). The data has undergone vigorous clean up and we do not anticipate significant changes between this data and the certified data. (Certification generally takes place towards the end of a semester.)

Major: designates the four-letter abbreviation specifying the student’s declared major.

Official Certified 12th Class Data: if the heading of the report contains “*Official Certified ... Data*” this report has been generated using data that has been certified as correct by TAMU to The Texas Higher Education Coordinating Board (THECB).

Percent Change (also % chg): Measure of change from previous like semester of last year to the current semester as a percentage of previous semester’s numbers (i.e. $\%CHG = (CURRENT - PREVIOUS) / PREVIOUS$). When considering % change it is important to note that increases or decreases in categories with low numbers will result in a notably high percentage change.

Residency Status: categorizes students into one of the following three categories based on the state or foreign country in which the student resides (where the student lives at the time of application).

Texas Resident

Non-TX, US Resident

Non-TX, Non-US Resident

SCH Categories: groups student's into one of the following categories based on the sum total of all the semester credit hours for which a student is enrolled without regards to funding.

| | |
|----------|-----------|
| < 6 SCH | 12-14 SCH |
| 6-8 SCH | 15-17 SCH |
| 9-11 SCH | >18 SCH |

Student Level and Classification: involves the grouping of students into the following student level designation.

| <u>Student Level</u> | <u>TAMU Classification</u> |
|----------------------|----------------------------|
| Undergraduate | U0, U1, U2, U3, U4, U5 |
| Masters | G6, G7, G9 |
| Doctoral | G8 |
| Professional | V1, V2, V3, V4 |

Top 10%: are the First-Time In College students who have graduated in the top 10% of their high school class and are either from a Texas high school or are Texas residents for tuition purposes.

Tuition Status: indicates a student's status for tuition purposes. (For specifics on the residence tuition policy contact the Office of Admissions.)

| | |
|----------------------------------|---|
| Resident Tuition: | students who pay "Resident Tuition" rates. |
| Non-Resident Tuition: | students who pay "Non-Resident Tuition" rates. |
| Tuition Exemption/Waiver: | students who pay "Resident Tuition" rates because they are granted a tuition exemption or waiver. |

Notes & References

1. **% Change:** is based on a comparison of the current semester's data to the prior like semester's data. When considering % change it is important to note that increases or decreases in categories with low numbers will result in a notably high percentage change.
2. **Corps of Cadets:** Membership in the Corps of Cadets is calculated from the SIMS field that specifies student's membership in an **outfit** (or unit) of the Corps of Cadets (e.g. Company A-1, Company D-2, Squadron 8, A-Battery, etc.)
3. **Other Special Populations:** was added to document the enrollment of students who fall into special categories that for various reasons can not be assigned to a regular college or department. This category currently contains (but is not limited to) Exchange Students, Distance Education, students enrolled from the Health Science Center, and BioTechnology students in Council of Dean's College.

Executive Summary

- **Undergraduate** enrollment decreased by 677 students which is 2% lower than in Spring 2003. Of this decrease, 546 were due to fewer **Continuing** students (possibly due to graduations or drop-outs).
- **First-Time Transfers (undergraduate)** students decreased by 150 or -17.3%.
- **First-Time Graduate** students at **Masters** level increased by 27 or 8.3%.
- Although **PhD** enrollment increased by 139 (4.5%), this increase is largely due to higher number of **Continuing** students which grew by 168 (5.7%). The number of **First-Time PhD** Students actually dropped by 27 (-21%).
- **Hispanic** enrollment improved by 137 students or 3.9% over last spring.
- **Full-Time Undergraduates** fell by 924 students (-3%) while number of Part-Time students increased.
- **College of Education** had the largest increase in enrollment: 367 students or 8.2% more than last year.
- **Colleges of General Studies** and **Engineering** had the largest decline in undergraduate enrollment of 211 (-6.8%) and 396 (-5.9%) respectively.
