Definitions

Age: is calculated by subtracting the year of birth from the year of the semester report; it does not take into account the month of birth.

Age Categories: recodes the variable “Age” by ordering students into one of the following age categories:

<18
18-21
22-25
26-30
31-39
40+

Blinn Team: is a collaborative effort between TAMU and Blinn Junior College. Students in this program will complete a specified number of courses at each institution with a 3.0 to qualify for automatic admission to TAMU. They are classified as part-time students.

College: specifies the college to which a student’s major is assigned.

Department: designates the four-letter abbreviation specifying the department to which a student’s major is assigned.

Enrollment Status: this variable categorizes students into one of the following admissions categories:

1st Time in College: an undergraduate, degree seeking, student who applied and enrolled in college for the first time regardless of whether the student has acquired college level credit through testing, advanced placement or summer enrollment. This field is used only the first semester of a student’s enrollment at TAMU.

1st Time PB Undergraduate (Post Baccalaureate – U5): a student who has graduated with an undergraduate degree (BA or BS) but who is returning to obtain either another undergraduate degree or certification. This field is used only the first semester of a student’s enrollment at TAMU.

1st Time PB Graduate (Post Baccalaureate – G6): a non-degree seeking graduate student who has never attended another post-secondary institution at the same level for which they have enrolled. Graduate PB’s are included with Masters students. This field is used only the first semester of a student’s enrollment at TAMU.

1st Time Graduate: a graduate student who has never attended another post-secondary institution at the same level for which they have enrolled. This field is used only the first semester of a student’s enrollment at TAMU.

1st Time Professional: a professional student who has never attended a professional program at another post-secondary institution. This field is used only the first semester of a student’s enrollment at TAMU.

1st Time Transfer: a student entering TAMU for the first time but who is known to have previously attended another post-secondary institution at the same level (e.g. undergraduate to undergraduate, or masters to masters, not undergraduate to masters). This does not include an institution's own graduates who re-enter for further education. This field is used only the first semester of a student's enrollment at TAMU.

Readmitted: a student who previously attended TAMU and is enrolled after applying for readmission.

Continuing: an undergraduate, master's, doctoral or professional student who has completed at least one full semester at TAMU with no break in spring and fall semester enrollment.

Ethnic Origin: is the code indicating the ethnic origin of the student. Students are classified as "International" if they are not citizens of the United States but are in the United States on a temporary basis and do not have the right to remain indefinitely. Non-citizen students, who are lawfully admitted for permanent residence, or Resident Aliens, are reported in the appropriate racial/ethnic category along with United States Citizens. The unknown classification is reserved for students that have not selected a racial/ethnic designation.

White
Black
Hispanic
Asian
American Indian
International
Unknown

First Generation: neither parent (or guardian) graduated from a four-year college.

Ft/Pt TAMU Status: field calculated in the SIMS database that groups students into one of four full-time/part-time categories based on their enrollment (SCH) in courses as of an official census date, their program, and their department of instruction (i.e. Student teaching, co-op, etc.). Note that it is possible to calculate full- and part-time status using SCH as the sole criteria by using the SCH Categories. For specific information contact The Office of Institutional Studies and Planning.

Less than Half Time
Half Time
Three-Quarter Time (used for fall and spring semesters only)
Full Time

Gender: identifies a student as either "male" or "female"

Not Certified: if the heading of the report contains "...– *Not Certified*" then this report has been generated using data that has not yet been certified as correct to The Texas Higher Education Coordinating Board (THECB). The data has undergone vigorous clean up and we do not anticipate significant changes between this data and the certified data. (Certification generally takes place towards the end of a semester.)

Major: designates the four-letter abbreviation specifying the student’s declared major.

Official Certified 12th Class Day Data: if the heading of the report contains “*Official Certified ... Data*” this report has been generated using data that has been certified as correct by TAMU to The Texas Higher Education Coordinating Board (THECB).

Percent Change (also % chg): Measure of change from previous like semester of last year to the current semester as a percentage of previous semester’s numbers (i.e. $\%CHG = (CURRENT - PREVIOUS) / PREVIOUS$). When considering % change it is important to note that increases or decreases in categories with low numbers will result in a notably high percentage changes.

Residency Status: categorizes students into one of the following three categories based on the state or foreign country in which the student resides (where the student lives at the time of application).

Texas Resident
Non-TX, US Resident
Non-TX, Non-US Resident

SCH Categories: groups student’s into one of the following categories based on the sum total of all the semester credit hours for which a student is enrolled without regard to funding.

< 6 SCH	12-14 SCH
6-8 SCH	15-17 SCH
9-11 SCH	>18 SCH

Student Level and Classification: involves the grouping of students into the following student level designation.

<u>Student Level</u>	<u>TAMU Classification</u>
Undergraduate	U0, U1, U2, U3, U4, U5
Masters	G6, G7, G9
Doctoral	G8
Professional	V1, V2, V3, V4

Top 10%: are the First-Time In College students who have graduated in the top 10% of their high school class and are either from a Texas high school or are Texas residents for tuition purposes.

Tuition Status: indicates a student’s status for tuition purposes. (For specifics on the residence tuition policy contact the Office of Admissions.)

Resident Tuition:	students who pay “Resident Tuition” rates.
Non-Resident Tuition:	students who pay “Non-Resident Tuition” rates.
Tuition Exemption/Waiver:	students who pay “Resident Tuition” rates because they are granted a tuition exemption or waiver.

Notes & References

1. **% Change:** is based on a comparison of the current semester's data to the prior like semester's data. When considering % change it is important to note that increases or decreases in categories with low numbers will result in a notably high percentage change.
2. **Corps of Cadets:** Membership in the Corps of Cadets is calculated from the SIMS field that specifies student's membership in an **outfit** (or unit) of the Corps of Cadets (e.g. Company A-1, Company D-2, Squadron 8, A-Battery, etc.)
3. **Other Special Populations:** was added to document the enrollment of students who fall into special categories that for various reasons can not be assigned to a regular college or department. This category currently contains (but is not limited to) Exchange Students, Distance Education, students enrolled from the Health Science Center, and BioTechnology students in Council of Dean's College.
4. **Summer Enrollment Profile** includes non-duplicated headcount of students enrolled in any summer term.

Spring 2007 Executive Summary

- Compared with Spring 2006, the **University Total Enrollment (42,374)** increased by 783 students (1.9%). **Undergraduate** level increased by 502 students (1.5%); **Graduate** level increased by 285 (3.8%).
- **Black and Hispanic** total enrollment improved by 88 and 375, which accounts for 7.5% and 8.8% increase respectively. The total number of **Asian** students also increased by 179 (12.5%).
- **College of Science** had the largest percentage increase in **undergraduate** enrollment of 146 (7.7%). **College of Veterinary Medicine and Dwight Look College of Engineering** had the largest percentage increase in **Master's** enrollment of 10 (16.9%), and 135 (13.1%), respectively.
- **The First Time in College (FTIC) students (undergraduate)** decreased by 8 or -8.4%.
- **First Time Graduate** students decreased by 27 or -6.0%.
- **Full-Time Undergraduates** (See Page ii, TAMU Definition) increased by 868 (2.9%).
- **Qatar** campus enrolled a total of 191, a 36.4% increase from Spring 2006. They are not included in the University total enrollment.
