	Classification by Ethnic Origin	30		Blinn TEAM Students	89
				First Generation Students	90
				Recipients of Regent Scholars Award	91
				Recipients of Century Scholars Award	92

Definitions

Age: is calculated by subtracting the year of birth from the year of the semester report; it does not take into account the month of birth.

Age Categories: recodes the variable “Age” by ordering students into one of the following age categories:

- <18
- 18-21
- 22-25
- 26-30
- 31-39
- 40+

Blinn Team: is a collaborative effort between TAMU and Blinn Junior College. Students in this program will complete a specified number of courses at each institution with a 3.0 to qualify for automatic admission to TAMU. They are classified as part-time students.

Course Level: involves the grouping of semester credit hours (SCH) into one of the following course categories based on the Coordinating Board’s course designation. Note professional level courses are non-funded and excluded from SCH and Weighted SCH calculations. Thus, there is not a course level designation for this category.

- Lower
- Upper
- Masters
- PhD

College: specifies the college to which a student’s major is assigned.

Department: designates the four-letter abbreviation specifying the department to which a student’s major is assigned.

Enrollment Status: this variable categorizes students into one of the following admissions categories:

1st Time in College: an undergraduate, degree seeking, student who applied and enrolled in college for the first time regardless of whether the student has acquired college level credit through testing, advanced placement or summer enrollment. This field is used only the first semester of a student's enrollment at TAMU.

1st Time PB Undergraduate (Post Baccalaureate – U5): a student who has graduated with an undergraduate degree (BA or BS) but who is returning to obtaining either another undergraduate degree or certification. This field is used only the first semester of a student's enrollment at TAMU.

1st Time PB Graduate (Post Baccalaureate – G6): a non-degree seeking graduate student who has never attended another post-secondary institution at the same level for which they have enrolled. Graduate PB's are included with Masters students. This field is used only the first semester of a student's enrollment at TAMU.

1st Time Graduate: a graduate student who has never attended another post-secondary institution at the same level for which they have enrolled. This field is used only the first semester of a student's enrollment at TAMU.

1st Time Professional: a professional student who has never attended a professional program at another post-secondary institution. This field is used only the first semester of a student's enrollment at TAMU.

1st Time Transfer: a student entering TAMU for the first time but who is known to have previously attended another post-secondary institution at the same level (e.g. undergraduate to undergraduate, or masters to masters, not undergraduate to masters). This does not include an institution's own graduates who re-enter for further education. This field is used only the first semester of a student's enrollment at TAMU.

Readmitted: a student who previously attended TAMU and is enrolled after applying for readmission.

Continuing: an undergraduate, master's, doctoral or professional student who has completed at least one full semester at TAMU with no break in regular semester enrollment.

Ethnic Origin: is the code indicating the ethnic origin of the student. Students are classified as "International" if they are not citizens of the United States but are in the United States on a temporary basis and do not have the right to remain indefinitely. Non-citizen students, who are lawfully admitted for permanent residence, or Resident Aliens, are reported in the appropriate racial/ethnic category along with United States Citizens. The unknown classification is reserved for students that have not selected a racial/ethnic designation.

White
Black
Hispanic
Asian
American Indian
International
Unknown

First Generation: neither parent (or guardian) graduated from a four-year college.

Ft/Pt TAMU Status: field calculated in the SIMS database that groups students into one of four full-time/part-time categories based on their enrollment (SCH) in courses as of an official census date, their program, and their department of instruction (i.e. Student teaching, co-op, etc.). Note that it is possible to calculate full- and part-time status using SCH as the sole criteria by using the SCH Categories. For specific information contact The Office of Institutional Studies and Planning.

Less than Half Time

Half Time

Three-Quarter Time (used for fall and spring semesters only)

Full Time

Gender: identifies a student as either “male” or “female”

Not Certified: if the heading of the report contains “...– *Not Certified*” then this report has been generated using data that has not yet been certified as correct to The Texas Higher Education Coordinating Board (THECB). The data has undergone vigorous clean up and we do not anticipate significant changes between this data and the certified data. (Certification generally takes place towards the end of a semester.)

Major: designates the four-letter abbreviation specifying the student’s declared major.

Official Certified 12th Class Data: if the heading of the report contains “*Official Certified ... Data*” this report has been generated using data that has been certified as correct by TAMU to The Texas Higher Education Coordinating Board (THECB).

Percent Change (also % chg): Measure of change from previous like semester of last year to the current semester as a percentage of previous semester’s numbers (i.e. $\%CHG = (CURRENT - PREVIOUS) / PREVIOUS$). When considering % change it is important to note that increases or decreases in categories with low numbers will result in a notably high percentage changes.

Residency Status: categorizes students into one of the following three categories based on the state or foreign country in which the student resides (where the student lives at the time of application).

Texas Resident

Non-TX, US Resident

Non-TX, Non-US Resident

SCH Categories: groups student's into one of the following categories based on the sum total of all the semester credit hours for which a student is enrolled without regards to funding.

< 6 SCH	12-14 SCH
6-8 SCH	15-17 SCH
9-11 SCH	>18 SCH

Student Level and Classification: involves the grouping of students into the following student level designation.

<u>Student Level</u>	<u>TAMU Classification</u>
Undergraduate	U0, U1, U2, U3, U4, U5
Masters	G6, G7, G9
Doctoral	G8
Professional	V1, V2, V3, V4

Top 10%: are the First-Time In College students who have graduated in the top 10% of their high school class and are either from a Texas high school or are Texas residents for tuition purposes.

Tuition Status: indicates a student's status for tuition purposes. (For specifics on the residence tuition policy contact the Office of Admissions.)

Resident Tuition:	students who pay "Resident Tuition" rates.
Non-Resident Tuition:	students who pay "Non-Resident Tuition" rates.
Tuition Exemption/Waiver:	students who pay "Resident Tuition" rates because they are granted a tuition exemption or waiver.

Notes & References

1. **% Change:** is based on a comparison of the current semester's data to the prior like semester's data. When considering % change it is important to note that increases or decreases in categories with low numbers will result in a notably high percentage change.
2. **Corps of Cadets:** Membership in the Corps of Cadets is calculated from the SIMS field that specifies student's membership in an **outfit** (or unit) of the Corps of Cadets (e.g. Company A-1, Company D-2, Squadron 8, A-Battery, etc.)
3. **Other Special Populations:** was added to document the enrollment of students who fall into special categories that for various reasons can not be assigned to a regular college or department. This category currently contains (but is not limited to) Exchange Students, Distance Education, students enrolled from the Health Science Center, and BioTechnology students in Council of Dean's College.

Summer 2005 Executive Summary

- **Undergraduate** enrollment decreased by 856 students, 6.2% lower than in Summer 2004.
- Although **PhD** enrollment increased by 101 (4.3%), this increase is largely due to a higher number of **Continuing** students which grew by 94 (4.0%).
- **Hispanic PhD** students increased by 31 students or 25.2%.
- **Hispanic and American Indian** total enrollment improved by 32 and 11 students, which accounts for 1.9% and 13.9% increase respectively. The total number of **Black** and **Asian** students declined by 2 (-0.3%) and 14 (-2.4%).
- **First-Time Transfers (undergraduate)** decreased by 14 or -7.5%.
- **College of Architecture** and **General Studies** had the largest increase in undergraduate enrollment of 15 (2.7%) and 24 (3.6%) respectively.
- **College of Geosciences** had the largest decline in undergraduate enrollment: 27 students or -14.4% change from last year.
- **Other special population** shows an increase of 362.5% from Summer 2004. This category includes the Council of Deans. At the end of the Spring semester all interdisciplinary graduate majors were changed to Council of Deans and removed from their respective colleges. The 362.5% increase is due to a change in reporting and not to an increase in enrollment.
- The Summer 2005 Graduate Pilot Program defines graduate student full-time status as those with at least 3 semester credit hours (SCH), other than the 6 SCH load in the 10-week session, and 3 SCH in the 5-week session as stated in the Graduate Catalog. The **full-time/part-time status** in this report follows the catalog definition.
